# Lab 8: Networks: Vedanth Mapakshi

1. Creating security groups: (students is also there just not in the view because they're arranged alphabetically)

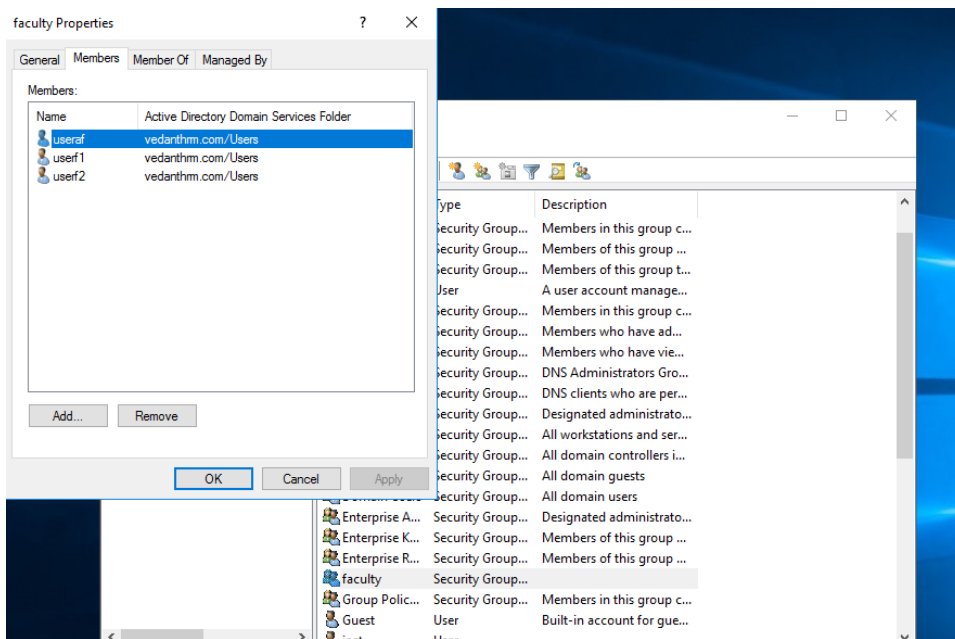

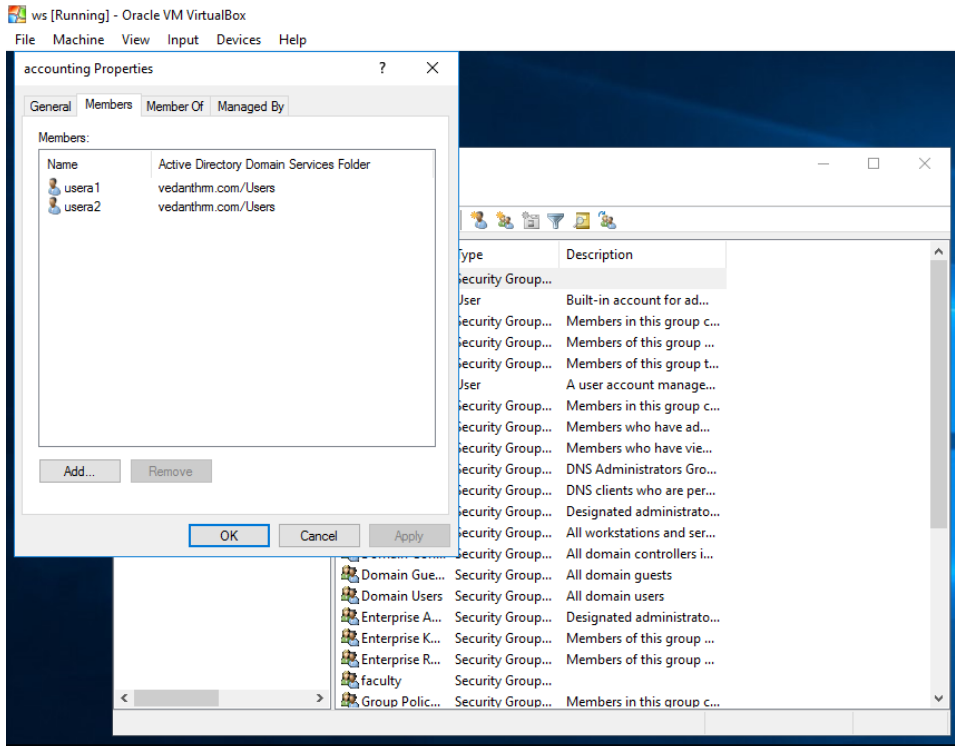

2. Created directories

3. Sharing Directories to groups (Did the same for students just didn't take a SC)

4. Creating users and making them members of respective groups( Did the same for students just didn't take SC)

ws [Running] - Oracle VM VirtualBox

File   Machine   View   Input   Devices   Help
